District 26 Performance

Fellow Toastmasters,

Today, we celebrate our District Leaders and club achievements for 2019-2020!

My focus last year was to 'Have Fun. Get Better.' Ralph Smedley said it best, "We learn best in moments of enjoyment." Little did I know that we would all be learning so much while adjusting to the COVID-19 pandemic!

Unfortunately, we lost 16% of our clubs and 22% of our members this year. I sincerely appreciate all the servant leaders that helped to transition clubs online so quickly, otherwise our results could have been worse.

A bright spot is that we set a record for new Distinguished Toastmasters (DTMs). I'm confident that ending the legacy educational program was a strong impetus. We will recognize 66 DTMs with medallions today!

My thanks goes to our 77 District volunteers for supporting our clubs last year. Your expertise, passion and countless hours are much appreciated.
